

EXCELLENCE IN LAW

Dear Alumni and Friends

Thank you for the many positive comments we received following my appeal for assistance in helping our students through their studies during this pandemic, and supporting them in completing their law degrees.

Some of our alumni responded immediately to the appeal. Thank you - from the Faculty and on behalf of the students whose lives are going to change for the better this year because of you.

However, we still have very many students who need our assistance urgently. As the lock down continues job losses are escalating and our students cannot depend on the support of their families to help them get through their studies - and we expect the knock-on to have further negative impact on our students in 2021.

Our students won their places through talent and hard work. We appeal to our UCT Law Community to help us ensure that they are able to use those very attributes to overcome the difficulties of this year and continue with their studies.

If you have not already done so, please consider a donation to the Excellence in Law campaign. Your gift will allow us to support our students through the following three funds.

- **The Scholarship Fund** covers tuition fees
- **The Equipped for Law Fund** assists students to access on line learning and on-line resources
- **The Student Crisis Fund** supports students faced with loss of personal and/ or family income; medical emergencies (accidents, illness or death of a family member) and medication; spectacles; groceries; emergency travel; travel back to campus; and other unanticipated expenses.

Every student's story is different.

Please help give us the flexibility to make each student's story a success.

Sincere regards,

Danwood
